## **About us:**

**Rameshwaram Educational Society** came into being in the year **2002**. It is crossing a mile stone year after year to achieve its goal. Over the years, it has earned a good name and reputation in the field of education. The Society further wishes to establish premier institutions of Information Technology, Electronics, Biotechnology, Medical Sciences, Media Communication and Fashion Designing Technology along with its already existing and functional Educational branches of **B.Ed., PHARMACY, MANAGEMENT, B.Tech** And an **International CBSE affiliated school up to Post Graduation and + 2 level respectively.**

The students on roll are highly motivated and focused to achieve their goals in the quality learning system provided for excellence in life. Rameshwaram Educational Society believes in professionalism and modern approach to cultivate correct and right attitude to inculcate Indian values with a global vision to produce quality citizens who can face new challenges and accept the modern and new changes taking place around. The Society has been recognized under the Society act 1960, Govt. of U.P. The vision and enterprise of the President and Vice President of the Society has ensured with full commitments and dedication to the cause of education in particular and that of people in general for human excellence.

The mission of the society is to promote excellence in the field of education through Information Technology, Pharmacy, Computer Science and Business Management. The primary aim and objective of the society is to promote educational activities to produce highly skilled technocrats, medicos, Beaucrats and management experts to participate and share the growing responsibility, of our country by creating a 'global village' in its campus. Our moto is to produce quality teachers for all level who can deal with tender heart children and help them to grow in to a good citizen.

**Dear Sir/Madam/Students,**

It gives us immense pleasure to cordially invite and welcome you to participate and share your experiences in National workshop on lesson planning.

**About the Workshop**

The workshop on 'Lesson Planning' for B.Ed. Students and teachers aims to equip teachers with effective methods, resources, practical ideas and activities that they can implement in their own classroom situations, and to direct them towards materials available to them in the Class.

**Resource Person:**

- **Dr. M.Varma**, Prof.in Education and Dean,College Development Council, University of Lucknow, Lucknow.
- **Dr. Usha Kumari** ,Associate Prof.B.Ed.Dept.of Teacher Education, Mahila Vidyalya P.G.College ,Lucknow University, Lucknow

**Session aims:**

- to discuss different attitudes towards lesson and course planning and current practice
- to examine the advantages and disadvantages of planning lessons and courses
- to discuss various principles of planning
- to explore the possible elements of a lesson plan
- to examine how best to write lesson aims and the importance of these
- to create a 'Lesson Planning Checklist' for participants to take away with them
- to practice writing a lesson plan.
