Internal Quality Assurance Cell

The NAAC advocates the establishment of Internal Quality Assurance Cell (IQAC) by all the accredited institutions as a post accreditation quality sustenance activity. IQAC internalizes and institutionalizes the quality enhancement through a sense of belongingness and participation among the constituents of an institution. IQAC channelizes the efforts of the institution towards academic excellence. Total Quality Management of institute is the prime objective of the IQAC.

Goals

- To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the HEI's.
 - To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
